

LOOP-LOC ON-GROUND

THE WORLD'S FIRST SAFETY COVER FOR
DECKED ON-GROUND POOLS

LOOP-LOC®

Now world-famous is available for deck on-ground pools!

Since 1977, owners of in-ground pools have trusted the safety and strength of the LOOP-LOC Safety Swimming Pool Cover. Now owners of on-ground pools (surrounded by at least 2 feet of deck) can enjoy the same benefits with LOOP-LOC On-Ground, the world's first safety cover for on-ground pools!

Safe enough to support an elephant!

LOOP-LOC is the only pool cover in the world proven safe enough to pass the "Bubbles the Elephant" test! Built super-strong, with a unique, patented bracket that fits many types of decks, LOOP-LOC On-Ground provides an effective barrier that

will prevent children and pets from gaining access to the water. (NOTE: Pool must be surrounded by deck at least 2 feet wide. Not for basic above-ground pools.)

No more slimy swamp!

A LOOP-LOC mesh safety cover allows rain to drain through. No hazardous standing water collects on top, so LOOP-LOC stays dry and beautiful in any weather!

Maintenance is a breeze!

LOOP-LOC goes on and off your pool in a snap. And unlike solid waterbag covers, LOOP-LOC requires no heavy scrubbing and powdering when you remove it.

Prefer a solid cover?

Ask about ULTRA-LOC, the ultimate solid safety cover for on-ground pools!

Using a patented process, ULTRA-LOC's advanced material is fabricated by adding a proprietary solid copolymer coating to LOOP-LOC's famous lightweight but incredibly strong mesh!

(Available with "invisible" mesh drainage panels or in an all solid cover. The all-solid version is sold with an automatic cover pump, which must be used at all times to meet ASTM Standards for a safety cover.)
